March 3, 1980

in the North balcony, and be recognized. Welcome to your Legislature. We will now proceed with LB 957 on Final Reading, Mr. Clerk.

CLERK: (Read LB 957 on Final Reading.)

PRESIDENT: All provisions of law relating to procedure having been complied with, the question is, shall LB 957 pass? All those in favor vote aye, opposed nay. Record the vote.

CLERK: (Read record vote found on pages 948-949 of the Legislative Journal.) 33 ayes, 5 nays, 8 excused and not voting, 3 present and not voting, Mr. President.

PRESIDENT: LB 957 passes on Final Reading. I understand, Mr. Speaker, that the next bill is passed over on Final Reading. Is that right? Was there a request for that? Senator Warner, or Senator Beutler. Yes, Senator Beutler.

SENATOR BEUTLER: Mr. President, there is a request to pass it over. Senator Warner I think has some technical questions with regard to whether an A bill is necessary despite the fact that no funds are spent and so we want to clear up that problem before we address the bill.

PRESIDENT: I believe the Speaker has agreed to pass it over so it will be passed over. So that will conclude Final Reading today and the Clerk has some matters to read in at this point and then we will proceed with General File.

CLERK: Mr. President, your Enrolling Clerk respectfully reports that she has on this day at 10:05 a.m. presented to the Governor for his approval the following bills: 319, 645, 663, 723, 747, 748, 759, 764, 766, 816, 857 and 914.

Mr. President, your committee on Urban Affairs whose chairman is Senator George to whom is referred LB 662 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File; 704 General File; 717 General File with amendments; 614 indefinitely postponed; 659 indefinitely postponed; 791 indefinitely postponed; 860 indefinitely postponed, (Signed) Senator George, Chairman.

Mr. President, your committee on Public Works whose chairman is Senator Kremer to whom is referred LB 779 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File and 908 General File with amendments, (Signed) Senator Kremer as Chairman.
